

Directions to Thomas and Debbie Spickermann's home:

From Los Alamos:

- 1) After the Totavi gas station turn onto NM 30 ("Los Alamos Highway") to Espanola.
- 2) In Espanola, facing the (now defunct!) Ford dealership (Valley National Bank to your right), turn left onto State Highway 84 to Abiquiu.
- 3) Follow Hwy 84 for about 8 miles through Hernandez until you see to your right a Chevron gas station.
- 4) Continue straight on Hwy 84 past the gas station AND also past the right turn onto Hwy 285.
- 5) Immediately (50 yards?) after you have ignored the turn-off onto Hwy 285 (but not right at the turn-off) turn left and again left onto a frontage road.
- 6) Turn right immediately (at the yellow sign board "", if you end up on a trailer park, you've missed the turn) to cross a small wooden bridge onto our property.
- 7) You should be facing a stuccoed house with red pitched roof. Drive up and park anywhere you want. You can enter through the front door or the back, whichever is closer to where you park.

Just walk in, don't bother looking for a door bell (we poor valley folk don't have that kind of high-tech).

From Santa Fe:

- 1) You'll be entering Espanola on Hwy 285 / 84 ("South Riverside Drive").
- 2) To cross the river:
 - i) turn left onto Stanley A. Griego Bridge Rd. At the next light turn right onto NM 30. At the next light (at the Ford dealership) turn left onto Hwy 84 to Abiquiu.
Continue with step 3) above.
 - ii) OR, if you miss the first turn, turn left onto E Paseo de Onate. You'll end up on Hwy 84 to Abiquiu.
Continue with step 3) above.
 - iii) OR, if you miss either turn, you will now be on NM 68 ("North Riverside Drive"). At the Walgreens (to your right) turn left onto Fairview Lane.
At the next light, turn right onto Hwy 84.
Continue with step 3) above.

If needed, you can reach us at 753 3531 or 929 1307 (my cell phone).

Looking forward to seeing y'all!

Thomas
